**KERFKORE COMPANY RELEASES NEW TRI-FOLD**

Kerfkore Company, a manufacturer of patented bendable substrates and panel products, just released a new tri-fold on its line of patented bendable materials. The bendable products covered in this tri-fold include: Kerfkore, Kerfkore-Green Timberflex, Flexboard, FlexGreen and econoKORE.

The literature contains detailed product specifications, which include product descriptions, product characteristics, core options, and bending capabilities. It also contains a detachable sample request form for those who would like to receive samples of our products.

Free Kerfkore literature and additional information is available from:  
Kerfkore Company (a division of Interior Products, Inc.), 2630 Sidney Lanier Drive,  
Brunswick, GA 31525. Phone: 800-637-3539 or 912-264-6496.  
Fax: 912-262-9763. E-mail: [info@kerfkore.com](mailto:info@kerfkore.com) Website: [www.kerfkore.com](http://www.kerfkore.com)
