**Kerfkore Company gives the award for GREATEST Percent Increase of Kerfkore products to McFadden's Hardwood and Hardware**

Each year Kerfkore Company awards distributors based on their purchases and sales of Kerfkore products. For the *Greatest Percent Increase in 2008*, the award goes to Mc Fadden's Hardwood and Hardware in Oakville, Ontario. They also inventory a complete line of Kerfkore products. They are one of our largest distributors of Foamkore panels and an on going project helped them obtain this increase in sales.

Congratulations to McFadden's Hardwood and Hardware for their excellent performance. We are proud to present them with this Distributor of the Year award from Kerfkore Company.
