Top 2013 Kerfkore Distributors

Each year, Kerfkore Company gives distributor awards based on their purchases and sales of Kerfkore products.

For 2013, **Distributor Service Inc.** receives the distributor award for the Largest Volume Distributor and **Hood Distribution/Orlando** receives the award for the Greatest Sales Increase.

Both companies sell the complete line of bendable and lightweight panels plus they inventory these materials so they can be delivered quickly to supply their customer's requirements. Their growth this year was achieved through standard product sales along with some nice customer projects. We appreciate the support from their management and sales team to make this award possible.
