## Kerfkore Announces New Sales Representation in Northwest US and Western Canada

---

### *Brandt Industrial Sales Representing Kerfkore*

Kerfkore Company is pleased to announce that Brandt Industrial Sales is representing them in Northwest US and Western Canada as of October 3, 2016. Brandt Industrial Sales is located in the Seattle WA area and is led by Loren Brandt. Loren has been associated with the woodworking industry since 1979. In 2013 he founded Brandt Industrial Sales that services the Pacific Northwest. He brings with him a wide range of

knowledge and experience with distributors and their customer base in this area. We welcome Loren to the Kerfkore team.

### ***About Kerfkore***

Kerfkore Company is a manufacturer of patented bendable substrates, lightweight structural composite panels and architectural panels. These products allow for the creation of numerous designs that open the opportunity to produce curves and innovative products as vast as your imagination. No matter what type of curve or lightweight needs you may have, we have a product that can provide quicker results that are more accurate, with higher quality, and easier to fabricate than traditional methods. We are committed to providing "green" products that can have a positive impact on our environment and also help you achieve some of the qualifications needed for the USGBC's LEED certification program.
