2016 Kerfkore Distributor Award Presentation

Kerfkore Presents Distributor Award at the 2017 AWFS Show

Kerfkore Company presented the award for "Largest Percentage Sales Increase" to Rugby Architectural

Products/New York. Pictured l-r is Tom Phillips Kerfkore CEO and Tom Heard of Rugby ABP. They also sell a complete mix of bendable and lightweight products and inventory a good representation of the Kerfkore product line. Their growth was a combination of strong sales from a variety of these bendable and lightweight products. We appreciate their effort in achieving this increase in 2016.

Our congratulations to Rugby Northeast for their performance!

About Kerfkore

Kerfkore Company is a manufacturer of patented bendable substrates, lightweight structural composite panels and architectural panels. These products allow for the creation of numerous designs that open the opportunity to produce curves and innovative products as vast as your imagination. No matter what type of curve or lightweight needs you may have, we have a product that can provide quicker results that are more accurate, with higher quality, and easier to fabricate than traditional methods. We are committed to providing "green" products that can have a positive impact on our environment and also help you achieve some of the qualifications needed for the USGBC's LEED certification program.
