Kerfkore Announces New Controller/Purchasing Manager

Kerfkore Company is pleased to introduce Garrett Beck as their new Controller/Purchasing Manager. Garrett is a University of Georgia Southern graduate and most recently was the Senior Accountant at SEG (South Eastern Groceries) in Jacksonville, FL. Garrett grew up in Brunswick, GA and although new to this industry, he has proven skills in accounting, customer relations and computer software. We are pleased to add Garrett to the Kerfkore family!

About Kerfkore

Kerfkore Company is a manufacturer of patented bendable substrates, lightweight structural composite panels and architectural panels. These products allow for the creation of numerous designs that open the opportunity to produce curves and innovative products as vast as your imagination. No matter what type of curve or lightweight needs you may have, we have a product that can provide quicker results that are more accurate, with higher quality, and easier to fabricate than traditional methods. We are committed to providing "green" products that can have a positive impact on our environment and also help you achieve some of the qualifications needed for the USGBC's LEED certification program.
