Kerfkore Company to Attend AWFS Show in Las Vegas, NV

Kerfkore Company is set to attend the 2011 AWFS show in Las Vegas, Nevada from July 20-23. This show is a great opportunity to see what the woodworking business has to offer and is a great way to stay competitive in this economic market. Make sure to stop by Kerfkore Company's booth (number 1025) and let Kerfkore show you how their innovative products can work for you.

July 20-23, 2011

Kerfkore Company is a manufacturer of patented bendable substrates, lightweight structural composite panels and architectural panels. These products allow for the creation of numerous designs that open the opportunity to produce curves and innovative products as vast as your imagination. No matter what type of curve or lightweight needs you may have, we have a product that can provide quicker results that are more accurate, with higher quality, and easier to fabricate than traditional methods. We are committed to providing "green" products that can have a positive impact on our environment and also help you achieve some of the qualifications needed for the USGBC's LEED certification program.
