New Catalog for Kerfkore Company

Kerfkore Company has come out with a new product catalog. This catalog is expanded to include more of the items we manufacture. It will include our newest products such as Foamkore Fire-Rated, Oversized Foamkore Panels, Painted Foamkore, Foamkore with an Internal Band, and Paper Faced Foamkore. The new catalog will also feature our bendable and lightweight products. This includes Kerfkore, Kerfkore-Green, Flexboard, Flexgreen, Timberflex, EconoKORE, Foamkore, Foamkore-Green, Kerfed Foamkore-Green, Beadboard, and Stair Risers. If you would like a copy of this new catalog please contact us at info@kerfkore.com.

Kerfkore Company is a manufacturer of patented bendable substrates, lightweight structural panels and architectural panels. These products allow for the creation of numerous designs that open the opportunity to produce curves and innovative products as vast as your imagination. No matter what type of curve or lightweight needs you may have, we have a product that can provide quicker results that are more accurate, with higher quality, and easier to fabricate than traditional methods. We are committed to providing "green" products that can have a positive impact on our environment and also help you achieve some of the qualifications needed for the USGBC's LEED certification program.
